INFORMATION DISCLOSURE STATEMENT

Applicants submit herewith patents, publications or other information of which the applicants are aware, which may be material to the examination of this application and in respect of which there may be a duty to disclose under 37 CFR 1.56.

The filing of this information disclosure statement shall not be construed as a representation that a search has been made (37 CFR 1.97(g)), an admission that the information cited is, or is considered to be, material to patentability or that no other material information exists.

The filing of this information disclosure statement shall not be construed as an admission against interest in any manner. Notice of January 9, 1992, 1135 O.G. 13-25, at 25.

The references submitted herein are listed on PTO-1449 form (modified) enclosed herewith. A copy of each reference listed is being furnished except any duplicate or cumulative patents or publications specified otherwise.

A translation of any foreign language reference, if any, is indicated in PTO-1449 form and being submitted herein if it is readily available. Otherwise it should be construed that such translation is not readily available.

No paper copies of the U.S. patent references identified in this IDS, if any, are submitted herewith as they are no longer required by the USPTO rules. Only the copies of foreign patent and/or other relevant publication references are submitted herewith.

The Statement is made on the basis of the information:

- ☐ supplied by the inventor(s);
- ☒ supplied by an individual associated with the filing and prosecution of this application (37 CFR 1.56(c));
- ☐ in the attorney's file; or
- ☒ cited in a corresponding PCT, EPO, and/or foreign application, if any.

Also submitted herein is a copy of the Chinese Official Action dated June 30, 2006 of the corresponding Chinese patent application.

Full translations of the non-English references submitted herewith are not readily available, but English language Abstracts are attached thereto.

Respectfully submitted,

Date: August 17, 2006
